Hendricks Chapel, Syracuse University, Syracuse, New York 2

73074

The Hendricks Chapel at Syracuse University was presented to the University in memory of the late Senator Francis Hendricks. It is the religious centre of the University and contains a magnificent pipe organ.

Hello!

As you can see we made it to New York state. It's really grand up here & the land is so good. Don't think I'll bother to come home. We travelled by Greyhound — riding all Sunday night
